# Here's the Story of and the Glory of Thiemans Polled Shorthorns

Forty-four years ago, my father, William Thiemans bought several of the best Polled Shorthorn cattle available in America. As a boy passing from his teens to his twenties, I studied and liked those cattle. A few years later I borrowed some money and purchased the farm we now call home. I visualized this productive looking piece of land with very little in the way of improvements to offer, becoming a well improved farm with even greater productiveness and I felt that Polled Shorthorn cattle not only could but would play a great part in changing this dream to reality.

With this in mind several cows from my father's herd were brought over to my farm. I purchased my first straight Scotch bred cow. Today you will find the Lustre family still in our herd. No others remain from that early starting of the herd. As time went on my plan was to use the best bull I could locate, wherever he might be or whatever he might cost. Also, as conditions permitted, outstanding females were added to the herd. To get what I wanted I have paid the highest price ever paid for a Polled Shorthorn female. She proved a worth while investment. Cattle have been purchased from fifteen different states and Canada.

As each auction approaches I am happy, yet sad. I'm happy because that above mentioned dream is real. The place has been improved, the herd now numbers over 225 head and we have added 280 acres of most productive land that is well watered, well fenced and has a good set of buildings. After this sale is over we shall still have lots of good cattle left with more calves coming all the time. Our breeding program not only shall, but will go on. I'm happy because I have been able to educate my boys. I'm happy because in spite of my poor health and age, my dream is still alive and growing. Homer is now working on the staff of the Corn Belt Dailies as Circulation Manager. He is still vitally interested in Polled Shorthorns. He took the first shipment of his breed to Australia, and he has had experience on the road with the show herd.

Harold, for quite some time now, has taken over the active management of the entire herd and farms. Since he started showing with Vanity Queen in 1932 the herd has made a most enviable show record along with steady improvement of the breeding herd. My son and I stress this herd improvement more so than our show records and it must be so! Most of our cattle go each year to old and evidently satisfied customers. They show well, and produce well. Bulls bred here head great herds. Females bred here are most valuable assets to many a breeders pastures. They have definitely proven to their new owners to be a source of pride and income. This established fact is invaluable to us because it serves as a definite incentive to produce more good cattle of higher average quality and each succeeding year we must produce more nearly perfect individuals.

I have mentioned that I am happy, yet sad. Yes, I'm sad because a number of the greatest friends I've ever had are leaving home soon. They have played more than their part in making a fanciful dream come true. They have been ceaseless and untiring workers. They have kept things going through the bad years as well as the good years. In spite of adverse times and depression years they have always turned over a goodly profit because there is always a demand for the best. Perhaps most important of all, they have brought me contacts and established friendships that are invaluable.

My greatest consolation in each auction is that wherever they go, they will be your friends as they have been mine—

LEWIS W. THIEMAN.

Mrs. Harold Thieman and Meadow Beauty Coronita.

## *Greetings*

We cordially invite all who are interested in the production of better Polled Shorthorns to be our guests on November 15th at our farm. We are confident that you will agree to our assertion that we are offering not only the largest but the best lot of cattle we have ever produced.

We hope that you will arrive in ample time to permit an inspection of our battery of breeding bulls, the breeding herd, and the calves that are produced, as well as the cattle in the offering.

We have been breeding these cattle for forty-four years. We frankly feel that those many years of hard work and untiring effort have not been in vain. The cattle speak for themselves. Our confidence in the ability of our cattle to make good for their purchasers is substantiated by the records made by prizewinners sold in previous auctions. We have always sold our best cattle each year. A fact that is reflected in the winnings at the greatest Polled Shorthorn shows on earth. In spite of the records attained by these animals, the improvement they have made in the herds, and for the herds of fellow breeders we re-iterate our belief that the 1944 offering is superior to all previous ones. There are better top animals and a far better average throughout the entire consignment.

We are pleased that Alpine Farms are again selling a choice and carefully selected group of outstanding cattle in our sale. We have personally inspected every animal they are consigning and they are superior to the good cattle they sold last year.

In loyalty to Polled Shorthorns we know of no method of opening up broader channels and more fertile fields, no means of creating greater interest, stimulating more breeders, than to offer those animals that are at the peak of our production efforts of forty-four years. New owners, we sincerely hope, will carry them on to a further degree of success.

THE THIEMANS.

# THIS BATTERY OF HERD SIRES IS AMERICA'S STRONGEST

★

**CHERRY CORONET x1905054**—Started his brilliant show and breeding career by winning junior champion honors at the International when barely nine months old. During the remainder of his show career he was made a champion many times even in strong horned competition. At the 1940 International he was taken out of the pasture as a breeding bull and with practically no fitting won his class and headed our winning graded herd group. It is significant that at his last show, his first son to be shown, Coronet Command, was made junior champion. From this date on the popularity of this great breeding son of the old International grand champion, Count Coronet, has spread and developed tremendously. His son, Coronet Command, came back to the International in 1941 under the ownership of Teegardins from Ohio and he was made senior and grand champion. Many of his sons today along with Coronet Command are heading some of the nation's greatest herds. His daughters likewise many times have been made champions, topped sales and now are valued members of the nation's greatest breeding herds.

★

**CLAYTOUN CORONET x1921514**—This solid red grandson of the great imported bull, Saltoun Claymore, has already written some impressive chapters in Polled Shorthorn history. One of his sons topped our 1941 sale and one of his daughters topped our 1942 auction. At the 1941 International he sired the grand champion female, the first prize get-of-sire, the first prize senior bull calf, best bull and female of the show any age, first prize pair of calves and a goodly number of our winning ten head group. No more impressive record has ever been established by a breeding bull at the International Live Stock Show.

★

**KING OF HEARTS x2014088**—This dark even roan son of Cherry Coronet is out of the same red cow that produced the world famous, Queen of Hearts, 1939 junior and grand champion female at the International. A son of this bull topped our 1942 auction. He sires exceptionally good headed, well balanced, rugged calves. Due to war conditions we have not had the privilege of exhibiting any of his offspring, although we feel that they would be winning in the greatest shows of America if they were going on at this time.

★

**CORONET CHARMER x2152419**—This dark even roan son of Cherry Coronet is now a valued member of our battery of breeding bulls. His dam is the most attractive cow, deep red in color, in our entire breeding herd. She is a polled daughter of Count Coronet and is out of the same cow that produced the mother of Coronet Command. A beautiful Bruce Augusta pedigree and undoubtedly one of the best individuals that we have ever had the pleasure of using as a herd bull.

★

**CORONET PRINCE ROYAL x2132871**—In 44 years of breeding Polled Shorthorns we have never owned a bull to equal or compare with Coronet Prince Royal. We want you to come to our farm to see this bull and we know that you will feel that your trip has been worth while. He belongs to the Princess Royal family and his breeding is backed by Thieman, Teegardin, Maxwalton, Bellows and other noteworthy breeders. Many experts and authorities wholeheartedly agree with us that he is the greatest Polled Shorthorn bull that has ever been bred. Regarding his individuality he is perfect in almost every way. One authority made this frank remark, "If I were given the power to change him wherever I please, I don't know what I would do to him." A new future, a bigger, better and brighter future lies ahead for those buyers so fortunate as to secure one of the heifers that carry the service of this great young bull.

★

**KING OF THE VANITIES x2123419**—This solid red bull is out of the International grand champion cow, Vanity Queen 5thx and sired by the International champion, Cherry Coronet. Thirteen of his fourteen nearest sires and dams have sired and produced International champions. The entire Carver Brown herd was purchased in order that the bull could be returned to service in the Thieman herd. His get are outstanding. Inspect them carefully on sale day.

## "The Thieman Type"

CORONET CLIPPER—One of the best bulls to sell in America in 1944.

### Regarding the Offering

It has been my pleasure to manage the last two Thieman Polled Shorthorn Sales which have been held annually since 1940 on their farm. I know it to be a positive fact that a majority of inquiries relative to this offering have come from breeders who have purchased Thieman Polled Shorthorns at previous auctions or privately. The outstanding performance of the animals already purchased is undoubtedly responsible for their determination to purchase more Thieman Polled Shorthorns. You have my assurance that this 1944 offering far surpasses the Thieman offering of a year ago that found such high favor with buyers from ten states.

MERVIN F. AEGERTER,  
Sale Manager.

# THE BEST PROMISE OF FUTURE PERFORMANCE COMES FROM NOTABLE SHOW AND BREEDING RECORDS OF THE PAST

*Character  
Conformation  
Fertility  
and  
Uniformity*

The 1940 undefeated get of Nonpareil Coronet. This group includes three 1940 International class winning females all of which have already produced outstanding calves.

Queen of Hearts 2d (right) One of two females that topped the 1940 Thieman sale selling to J. C. Banbury & Son, Plevna, Kansas.

The undefeated 1939 Thieman aged herd headed by Cherry Coronet. Generations of planned, constructive breeding are responsible for this remarkable group uniformity.

Queen of Hearts 5th—Top heifer in last year's sale, now has outstanding bull calf in McManus Farms herd.

(Left) Vanity Queen 7th and Coronet Command, our 1940 junior champions and undefeated pair of yearlings. Coronet Command topped our 1940 sale and has been grand champion bull for his owner, C. B. Teegardin & Sons at leading 1941 shows.

(Right) The most perfect pair of Polled Shorthorn females ever produced anywhere. Queen of Hearts and Vanity Queen 5th both have been on successive grand champions on successive years 1939 and 1940. They offer conclusive evidence of the superiority of Thieman Polled Shorthorns.

# ALPINE FARMS

Lexington, Missouri

Make the following choice consignment  
to this sale.

Alpine Farms have bred and sold the Grand Champion bull at the last two National Polled Shorthorn Congress Show and Sales. Their cattle in this sale are bred the same way and will prove a valuable investment to their new owners.

# ALPINE FARMS, Lexington, Missouri

offer 26 Beautiful Heifers and Top Bull

**Oakwood Regal Crown** — By the celebrated International grand champion, Oakwood Emperor. Sons and daughters of this good sire comprise Alpine Farms' consignment to this offering. Study their breeding carefully in the pedigrees that follow. His get are strikingly uniform with remarkable thickness, quality and modern type.

**Collynie Impression** — Was also purchased for service at Alpine Farms following his undefeated record as a junior yearling at all shows exhibited, including the International in 1940. He is by King Collynie Jr. and his get selling in this sale are further proof of his outstanding ability as a sire of merit. He has sired the grand champion bulls at the last two National Polled Shorthorn Congress Shows.

**LORD CORONET x2075823**—Many a critical judge has regarded this son of Claytoun Coronet x as the greatest bull ever produced by the Thiemans. His head is ideal. He is thick, deep bodied, smooth and has good quarters. He can make Polled Shorthorn history. His valuable mating further increases the value of many of Alpine Farms' females that sell in this sale.
